

Hong Kong SAR Government Disclaimer

1. The information contained in this application “eSeaGo” is compiled by the Marine Department of the Government for general information only. Whilst the Government endeavours to ensure the accuracy of this general information, no statement, representation, guarantee or warranty, express or implied, is given as to the accuracy, completeness, appropriateness of the contents, fitness for a particular purpose, non-infringement, reliability, security, timeliness or freedom from computer virus in relation to all contents and information found on “eSeaGo”.
2. The Government shall not be liable for any errors in, omissions from, or misstatements or misrepresentations (whether express or implied) concerning any information (be it the Government’s information or other information). The Government is not responsible for any loss, injury or death save and to the extent any such injury or death is caused by the Negligence of the Government or any of its employees in the course of employment, destruction or damage including without limitation consequential loss, destruction or damage however arising out of or in connection with any use or misuse of or reliance on the information delivered on “eSeaGo” and all related third party service providers and applications or inability to use such information.
3. The Government is not responsible for any loss or damage whatsoever arising out of or in connection with any information on “eSeaGo”. The Government reserves the right to omit, update, delete, change, suspend or edit all contents and information compiled by the Government in “eSeaGo” at any time in its absolute discretion without giving any reason or prior notice. Users are responsible for making their own assessment of all information contained in “eSeaGo” and are advised to verify such information by making reference, for example, to original publications and obtaining independent advice before acting upon it.
4. All contents and information found on “eSeaGo” are not for navigational purpose and are not used as substitute for any navigational equipment that is required under applicable regulations or laws. The “eSeaGo” chart is a raster image and is not used as substitute for paper nautical chart or electronic navigational chart. It is not compiled according to International Hydrographic Organization (“IHO”) S-57 Transfer Standard for Digital Hydrographic Data and IHO S-52 Specifications for Chart Content and Display Aspects of Electronic Chart Display and Information System.

5. This Copyright Notice and Disclaimer has been translated by a translation software from the English version into Traditional Chinese version and Simplified Chinese version. If there is any inconsistency or ambiguity between these versions, the English version shall prevail.

Macao SAR Government Disclaimer

The Government of the Macao Special Administrative Region (“The Government”) makes no warranty, statement or representation, express or implied, with respect to the accuracy, availability, completeness and usefulness of the information provided. The Government shall not have or accept any obligation, responsibility or liability, whatsoever for any loss, destruction or damage (including without limitation consequential loss, destruction or damage) howsoever arising from or in respect of using the information.
