

Privacy Policy Statement

1. The Government of the Hong Kong Special Administrative Region (“Government”) takes measures to ensure that all personal data submitted through “eSeaGo” is handled in accordance with the data protection principles and all relevant provisions of the Personal Data (Privacy) Ordinance.
2. “eSeaGo” requires user’s device permission to record the download status of “eSeaGo” chart. “eSeaGo” would not collect any personal identifiable information from users. Such general statistics are collected to compile statistical reports and diagnose problems with, or concerning, computer systems to help improve the “eSeaGo”.
3. The mobile device’s location is positioned through user’s authorization and / or user’s setting. The positioning information would not be transmitted, stored and kept out from “eSeaGo”.
4. During the use of share map function via third party service providers and applications, please refer to the Privacy Policy of corresponding service providers and applications.
5. This Privacy Policy has been translated by a translation software from the English version into Traditional Chinese version and Simplified Chinese version. If there is any inconsistency or ambiguity between these versions, the English version shall prevail.
